1.10 Bid Opening: 16 October 2026 at 03:00 PM.

2. Bid Schedule

Activity	Date / Time
Submission Start	01 October 2026, 10:00 AM
Submission Deadline	15 October 2026, 03:00 PM
Bid Opening	16 October 2026, 03:00 PM

3. Scope of Work

The successful bidder shall supply, install, integrate, test and commission an IP-based CCTV surveillance system at CPCL facilities, including associated network, recording, monitoring, software, training and support requirements.

1. Supply and installation of IP-based fixed and PTZ CCTV cameras with required accessories.
2. Supply, installation and configuration of NVRs and centralized recording infrastructure.
3. Supply and installation of monitors, control-room equipment, network switches, cabling and related accessories.
4. Supply, configuration and commissioning of Video Management System (VMS) for centralized monitoring and management.
5. Integration of CCTV cameras, NVRs, VMS and associated security infrastructure.
6. Testing, commissioning and performance verification of the complete surveillance system.
7. Configuration of recording, remote monitoring, user access, event monitoring, search, playback, export and alarm notification functions.
8. Training of CPCL personnel for system operation and basic administration.
9. Preventive maintenance and technical support during the contract period.
10. Submission of as-built drawings, system configuration details, test reports and commissioning documentation.

4. General Bid Conditions

- 4.1 The bidder shall submit all documents and declarations required by this tender in the prescribed electronic bid format.
- 4.2 The bidder shall be responsible for completeness and correctness of information submitted with the bid.
- 4.3 Any clarification or corrigendum issued by CPCL shall form part of the tender.
- 4.4 The bidder shall comply with applicable statutory, safety, security and site-access requirements while performing the work.

5. Pre-Qualification & Eligibility Requirements

The following requirements are mandatory unless explicitly stated otherwise.

5.1 Legal Entity Registration

The bidder shall be a legally registered entity and shall submit a valid incorporation, registration or constitution certificate as applicable.

5.2 Permanent Account Number (PAN)

The bidder shall possess a valid PAN and shall submit a copy of the PAN document.

5.3 Goods and Services Tax (GST)

The bidder shall possess a valid GST registration applicable to the bidder's business and shall submit the GST registration certificate.

5.4 Average Annual Turnover

The bidder shall have an average annual turnover of not less than ₹50,00,000 (Rupees Fifty Lakh only) during the financial years 2023-24, 2024-25 and 2025-26. The bidder shall submit a CA-certified turnover certificate and supporting audited financial statements/ITR documents.

5.5 Relevant Experience

The bidder shall have successfully executed at least three (3) relevant CCTV, security surveillance or substantially similar projects during the preceding five years. At least one such project shall have a value of not less than ₹25,00,000. Evidence shall include work orders, purchase orders, completion certificates or client certificates establishing the relevant experience.

5.6 OEM Authorization

The bidder shall submit a valid authorization letter from the original equipment manufacturer (OEM) for the proposed CCTV/security equipment. The OEM authorization shall be valid on the bid submission date.

6. Technical Specifications

6.1 IP Fixed Camera

- Minimum 4MP image resolution.
- Day/night operation with IR illumination.
- Minimum IP66 ingress protection.
- H.265/H.265+ video compression.
- Motion detection capability.
- ONVIF interoperability.

6.2 PTZ Camera

- Minimum 4MP image resolution.
- Minimum 25x optical zoom.
- 360° continuous pan capability.
- Preset positions and auto-tracking functionality.
- Minimum IP66 ingress protection.

6.3 Network Video Recorder (NVR)

- Minimum 32-channel capacity.
- H.265/H.265+ support.
- Centralized recording and management.
- Remote monitoring capability.
- Redundant storage capability.

6.4 Video Management System (VMS)

- Centralized monitoring and management of the surveillance system.
- Role/user-based access control.
- Event monitoring and search.
- Playback and export functionality.
- Alarm/event notifications.

6.5 Technical Compliance Statement

The bidder shall submit a clause-by-clause technical compliance statement against the specifications in this section and shall identify the proposed make/model wherever applicable.

7. Financial Requirements, EMD and Commercial Conditions

7.1 Earnest Money Deposit (EMD)

The bidder shall furnish an EMD of █2,40,000 in accordance with the tender submission instructions.

7.2 Price Basis

Quoted prices shall include equipment, transportation, installation, configuration, testing, commissioning, training, warranty and support as applicable. Taxes shall be indicated separately.

7.3 Price Validity

The quoted price shall remain valid for 180 days from the bid submission deadline.

7.4 Estimated Value

The estimated tender value is █1,20,00,000 excluding GST. The estimated value is provided for tender information and does not constitute a commitment to purchase at that value.

7.5 Performance Security

Performance security, if applicable, shall be furnished by the successful bidder in accordance with the Letter of Award and applicable contract conditions.

7.6 Payment

Payment shall be made against accepted deliverables and milestones specified in the contract, subject to submission of required invoices and supporting documentation.

8. Mandatory Documents to be Submitted

Document ID	Required Document
DOC-01	Registration / Incorporation Certificate
DOC-02	PAN document
DOC-03	GST Registration Certificate
DOC-04	CA-certified turnover certificate for FY2023-24, FY2024-25 and FY2025-26
DOC-05	Audited financial statements / supporting ITR documents
DOC-06	Relevant experience documents: work orders / purchase orders / completion or client certificates
DOC-07	Valid OEM Authorization Letter
DOC-08	Technical Compliance Statement
DOC-09	Product Datasheets
DOC-10	Bidder Declaration

9. Bidder Declaration

The bidder shall declare that the information and documents submitted are true, complete and valid as of the bid submission date and shall accept responsibility for any misrepresentation or material omission.

10. Warranty, Support and Maintenance

10.1 Warranty Period

The supplied system, equipment and associated components shall carry a minimum warranty of three (3) years from the date of successful commissioning, unless a longer warranty is offered.

10.2 Support

The bidder shall provide technical support and preventive maintenance during the 12-month contract period.

10.3 Training

The bidder shall provide operational and basic administrative training to designated CPCL personnel.

10.4 Documentation

The bidder shall provide as-built drawings, system configuration details, test reports and commissioning documentation after successful commissioning.

11. Subcontracting and Site Requirements

11.1 Subcontracting of any material part of the work shall require prior written approval from CPCL.

11.2 Personnel entering CPCL facilities shall comply with applicable security, safety and access-control requirements.

11.3 The bidder shall comply with applicable statutory and safety requirements throughout execution.

12. General Conditions of Contract (GCC)

12.1 Liquidated Damages

Delay in completion shall be subject to liquidated damages and other remedies as specified in the final contract.

12.2 Arbitration and Dispute Resolution

Disputes shall be handled in accordance with the dispute-resolution provisions of the contract and applicable law.

12.3 Jurisdiction

The contract shall be subject to the jurisdiction and applicable laws specified in the final contractual documents.

12.4 Integrity and Ethical Conduct

The bidder shall comply with CPCL's applicable integrity, ethical conduct and anti-corruption requirements forming part of the tender.

13. Tender-Specific Compliance

13.1 All mandatory eligibility conditions shall be satisfied as of the relevant bid submission date unless the tender expressly specifies another date.

13.2 Where a document has an expiry or validity period, the bidder shall ensure that the document is valid on the applicable date specified by the tender.

13.3 CPCL may seek clarification or additional supporting evidence where permitted under the tender conditions. Such clarification shall not automatically cure a substantive failure to meet a mandatory eligibility condition.

14. Bid Submission and Evaluation

- 14.1 The bidder shall submit all mandatory documents through the designated electronic procurement interface before the submission deadline.
- 14.2 The bidder shall ensure that submitted documents are legible, complete and attributable to the bidding entity.
- 14.3 CPCL may evaluate eligibility, technical compliance, commercial responsiveness and other tender-specific requirements in accordance with the tender conditions.
- 14.4 Compliance with a requirement shall be determined using the evidence submitted by the bidder and any verification permitted under applicable procurement procedures.
- 14.5 The final procurement decision shall be taken by the authorized CPCL procurement officer in accordance with applicable procurement rules and tender conditions.

15. Important Dates

Milestone	Date / Time
Bid Submission Opens	01 October 2026, 10:00 AM
Bid Submission Closes	15 October 2026, 03:00 PM
Bid Opening	16 October 2026, 03:00 PM
